The Brick Walkway Project

The Brick Walkway Project is an ongoing effort of The Unitarian Church of Barnstable to help sustain itself so that it can continue to do its good work.

The bricks symbolize a footprint that you, your loved one, your pet, your wedding, your group existed and somehow were connected to this church on Cobb's Hill in Barnstable, MA. The bricks offer a little bit of permanence in a very transient world.

You can have engraved an expression of joy or peace or whatever appropriate expression you wish that will forever remain on our walkway to the church. You can purchase a single brick for $135 or a double brick for $250.
