

Stewardship Update as of May 3rd, 2017 (Our Theme: Generosity)

Great news! Our pledge dollars are up compared to last year at the same time, largely because the congregation has indeed been more generous. Our status as of May 3rd: 78 pledges totaling \$131,268; 74% of our goal. The remaining pledge amount needed for us to meet our goal of \$178,000 is \$46,732. Our average pledge amount is \$1,683, \$242 higher than it was at the same point last year. This is a wonderful result and we should be thankful to each other for having achieved it!

Last year we did reach our goal of \$162,000 but not until June 21st. Our hope is to better that performance so that our budget can be finalized. So – if you have not sent in your pledge yet, please do so as soon as possible. A team of volunteers is making reminder calls and sending reminder emails so that we can complete an excellent stewardship/pledge drive campaign.
